RoHS-2,3 Compliance Declaration

Elexol, Tempero systems Pty Ltd hereby certifies that our products are compliant with all requirements and exemption set by the European RoHS Directive RoHS(2011/65/EU) and Annex II (EU/2015/863).

REACH Compliance Declaration

The European Regulation (EC) 1272/2008 concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) entered into force on 1st June 2007 and candidate list updated 15 January 2019 (ECHA/PR/19/01).

Elexol and Tempero Systems Pty Ltd is a manufacturer and distributor of electronic products, thus, in the sense of REACH, we are so-called “downstream-users”. The products we supply to you are solely non-chemical products (goods). Moreover and under normal and reasonably foreseeable circumstances of application, the goods supplied to you shall not release any substance. For that, Elexol and Tempero systems Pty Ltd are neither obliged to the registration nor the creation of a material safety data sheet (MSDS).

To the best of our knowledge, Elexol, Tempero systems Pty Ltd products are not intentionally manufactured or formulated with compounds and substances above the 0.1% threshold by weight listed in the REACH document titled “Candidate List of Substances of Very High Concern for Authorization” date 15 January 2019.

Furthermore, we will take all necessary action to provide notification to our customers if any substance of content (as from a content of <0.1 %) in our goods is classified as alarming by the European Agency for Chemicals ECHA. Based on the current status, however, we do not expect such an incidence.

For and on behalf of Elexol, Tempero Systems Pty Ltd
